Annex to the note verbale dated 23 May 2007 from the Permanent Mission of Yemen to the United Nations addressed to the Chairman of the Committee

[Original: Arabic]

Report of the Republic of Yemen pursuant to Security Council resolution 1737 (2006)

Pursuant to Security Council resolution 1737 (2006) and in implementation of paragraph 19 thereof concerning the submission by States of a report to the Committee on steps taken to implement paragraphs 3, 4, 5, 6, 7, 10, 12 and 17, the steps taken by the Republic of Yemen are set out below.

1. With regard to paragraphs 3 and 4 of the resolution, the Republic of Yemen is taking the necessary measures to prevent the supply of any items, materials, equipment, goods and technology which could contribute to Iranian enrichment-related, reprocessing or heavy water-related activities, or to the development of nuclear weapon delivery systems, including all items and materials set out in paragraphs 3 (a), (b) and (c) and 4 (a), (b) and (c).

2. With regard to paragraph 5, the Republic of Yemen is complying with the provisions of subparagraphs (a), (b), (c) and (d), including as they relate to the materials and items mentioned in documents S/2006/814, S/2006/815 and S/2006/985.

3. With regard to paragraph 6, the Republic of Yemen is taking all necessary measures to prevent the provision to the Islamic Republic of Iran of any technical assistance or training, financial assistance, investment or other services, or the transfer of financial resources or services related to the supply, transfer, sale, manufacture or use of the prohibited items, materials, equipment, goods and technology specified in paragraphs 3 and 4 of the resolution.

4. With regard to paragraph 7, there are no import or export activities between the Republic of Yemen and the Islamic Republic of Iran relating to the materials or items mentioned in documents S/2006/814 and S/2006/815.

5. With regard to paragraphs 10 and 12, the Yemeni authorities and the relevant national bodies have been informed of the list of persons and entities engaged in nuclear and ballistic missile activities designated by the Committee and will take the necessary measures in this regard.

6. With regard to paragraph 17, there is no cooperation relating to the teaching or training of Iranian specialists or nationals in Yemen by the Government of Yemen or by Yemeni nationals in disciplines that could contribute to the proliferation-sensitive nuclear activities of the Islamic Republic of Iran or the development of nuclear weapon delivery systems.
